(WSNP 2018)

16th February 2018, Friday

ORGANISED BY
DEPARTMENT OF PHYSICS

About our Institution

Sri Sarada College for women, Tirunelveli was started in the year 1986 to cater to the educational needs of the women of the Southern districts of Tamilnadu. It is a self financing college affiliated to Manonmaniam Sundaranar University, Tirunelveli.

The educational vision and mission of the college are reflected in the motto of the college, "The Harmonious Development of the Hand, the Heart and the Head". The college offers 11 different courses to fulfil the vision of our Revered founder Srimath Swami Chidbhavananda. His great desire was that the girls who enter the portals of this Temple of Learning should leave it as "Nirai Nangaiyar" - 'the perfect women' and to encourage and enlighten the students for excellence in higher education and research. Character building and Culture inculcation are the basis upon which the super structure of modern education is raised here.

About the Physics :

The department of Physics was established in the year 1987 and the Post Graduate course was introduced in 2015. Now "Nano Particles Laboratory" is also organised. It aims at academic excellence and overall development of the students. The department offers guidance and skill to pursue knowledge and motivate the students for higher studies and research. A spacious and well equipped laboratory meets the requirements of the major and allied syllabi in Physics.

Objective of the workshop:

These workshops is designed mainly to intent and enlighten the knowledge towards updating Nano Physics field, then to make the audience to initiate and pursue research with novelty in this field. This workshop mainly aims in major sectors of advanced processing, material characterization, simulation, properties, performance and device fabrication.
