**ATR:**The response to Question No. 18, "Rate the possibilities/provision for getting additional courses/merit certificates," was moderate based on the data. An intensive orientation for the registration for SWAYAM & NPTEL courses was made. The response was moderate because of the nonavailability of android phones with the parents. However, all the students have participated in the institution level certificate and diploma skill development programmes which are obligatory in all odd semester and entrepreneurial programmes in the even semester. Presently the SWAYAM and NPTEL registrants are relatively high.
