2 RESEARCH POLICY

RESEARCH POLICY

AIM OF THE POLICY:

Realising the vision and mission of the college for contributing to the national development the policy aims at ensuring that the research activities of the institution conform to all applicable rules and regulations and to the established standards and norms relating to safe and ethical conduct of research.

SCOPE OF THE POLICY:

This policy shall apply to all the scholars of the college undertaking research and for the purpose of this policy 'researchers' that include all faculty members, who are active in teaching, research and extension, all students studying in the college, all mentors, research supervisors, external experts and sponsors associated with any of the research activities of the college.

OBJECTIVES:

1. To initiate a research fund for supporting and facilitating research initiatives of staff and students.
2. To provide a platform to ensure the staff to attain the desired mix of teaching, research and consultancy outputs.
3. To facilitate the presentation/communication of the research work/projects their findings and recommendations through academic events namely symposia/ conferences/seminars.
4. To establish linkages after identification including MOU s for long term relationships with industry bodies and individual companies for creating opportunities for teachers and students to involve themselves in real life research projects.
5. To encourage the publication of the research work/projects in reputed academic journals
6. To provide a modality for proper coordination of all research activities of the college and aligning these to the vision and missions of the college and sustainable development goals.
7. To guide researchers in the integration of research projects with the regular curriculum.
8. To prepare and implement a research code, which informs all researchers about the ethical and legal norms and principles to be followed in the conduct of research
9. To design and implement a research quality assurance mechanism for ensuring that all research activities of the college conform to standard quality specifications
10. To develop, prescribe and administer procedures to ensure the research code and plagiarism rules and regulations.
11. To intimate researchers about the appropriate research opportunities announced by different academic, research, industry or government organisations
12. To develop and promote linkages with the Research bodies of other institutions, corporate and industries.
13. To encourage interdisciplinary research and establish modalities for preparing and undertaking joint research projects covering more than one knowledge domain as well as policies for involving external agencies/experts in such projects

RESEARCH MISCONDUCT

1. It implies fabrication, falsification, plagiarism or deception in proposing, carrying out or reporting results of research and deliberate, dangerous or negligent deviations from accepted practice in carrying out research.
2. It includes failure to follow an agreed protocol if and when this failure results in unreasonable risk or harm to persons, the environment, and when it facilitates misconduct in research by collusion in, or concealment of, such actions by others.
3. It includes any plan or attempt to do any of these things. It does not include honest error or honest differences in interpretation or judgment in evaluating research methods or results, or misconduct unrelated to research processes.
4. It includes (and is not limited to) the following acts:
 - a) **Plagiarism:** The deliberate copying of ideas, text, data or other work (or any combination thereof) without due permission and acknowledgement.
 - b) **Piracy:** The deliberate exploitation of ideas from others without proper acknowledgement
 - c) **Abuse of Intellectual Property Rights:** Failure to observe legal norms regarding copyright and the moral rights of authors.
 - d) **Abuse of Research Resources:** Failure to observe the terms and conditions of institutionally licensed research resources.
 - e) **Misinterpretation:** The deliberate attempt to represent falsely or unfairly the ideas or work of others, whether or not for personal gain or enhancement.
 - f) **Personation:** The situation where someone other than the person who has submitted any academic work has prepared (parts of) the work;
 - g) **Fabrication and Fraud:** The falsification of data, information or citations in any form.
 - h) **Sabotage:** Acting to prevent others from completing their work. This includes stealing or cutting pages out of library books or otherwise damaging them; or wilfully disrupting the experiments of others; or endangering institutional access to licensed research resources by wilfully failing to observe their terms and conditions.
 - i) **Professorial misconduct:** Professorial acts that are arbitrary, biased or exploitative.
 - j) **Denying access to information or material:** To deny others access arbitrarily to scholarly resources or to deliberately and groundlessly impede their progress.
