STAFF-STUDENTS EXCHANGE PROGRAMME

Date: 27.01.2025   **Day: Monday**   **Time:11.00a.m.-01.00p.m**   **Venue: Gallery Hall**

   An interdisciplinary intercollege activity was conducted by the Department of Information Technology on January 27, 2025, focusing on the concepts of "Data Science" and "Data Communication and Networking." The event aimed to enhance students' understanding and knowledge in these emerging technologies.The first session, elaborating on the concept of the "Data Science," was delivered by Dr. (Smt.) A. Shunmuga Priya, Assistant Professor, Department of Information Technology, Rosemary College of Arts & Science. The lecture was designed to provide students with an in-depth understanding of the Data Science and its real-world applications. The second session focused on the concept of "Data Communication and Networking" which was presented by Selvi S. Sumithira, Assistant Professor, Department of Information Technology, Sri Sarada College for Women (Autonomous). This session aimed to familiarize students with the principles of networking, its algorithms, and its impact on modern technology. The students of III B.Sc. (IT) from Sri Sarada College for Women (Autonomous) were trained by the faculty of Rosemary College of Arts & Science, and conversely, the students of III B.Sc. (IT) from Rosemary College of Arts & Science were trained by the staff from Sri Sarada College for Women. The program concluded with the Shanthi Prayer followed by the National Anthem, marking the end of the successful event.
