RURAL TEACHERS TRAINING PROGRAMME (Under Institutional Social Responsibility Extension Programme)

The Training and Development Cell has organized an onsite Rural Teachers Training Programme from 05.05.2025 to 07.05.2025 at Vivekananda National Trust School, Karuvanatha, with the aim of equipping rural school teachers for the betterment of the younger generation.

The first session was led by Dr. N. Booma Devi, Assistant Professor of Physics, on the title essentials of Physics. The session guided teachers in helping to understand the importance of the Measurement, Force, Pressure, Optics, Thermal Physics, Electricity, Magnetism, Atomic Physics and Universe. The second session, led by Smt. K. Karthika Devi, Assistant Professor of Chemistry, covered the basics of naming organic compounds and introduced the principles of reactions involved. She also emphasized the importance of pH value, discussing its practical applications and relevance in daily life. The third session was conducted by Prof. (Major) P. Chandrasekaran, who delivered an informative lecture on “The Origin and Evolution of Life” and about “Basic anatomy and physiology”.

The programme concluded with the blessings of Swamiji Saantananda the founder of Vivekananda National Trust School, Karuvanatha and an inspiring valedictory address by Prof. (Major) P. Chandrasekaran.
