National Science Day Celebration
on
Theme 2025: “Science for Sustainable Development: Promoting Green Technologies”

Event Report

Date: 28.02.2025

Venue: Seminar Hall

On behalf of departments of Physical sciences namely Mathematics and Physics and Computer allied departments namely CS, IT, CA and AIDS, the department of Chemistry organized National Science Day Celebration on “**Science for Sustainable Development: Promoting Green Technologies**”. The program began with the lighting of the lamp and a prayer song. The special lecture was delivered by Dr. S. Sudhakar, Professor and Head, Department of Biotechnology, Manonmaniam Sundaranar University, on “**Technologies in Tirunelveli**”. He emphasized ancient engineering techniques, historical innovations that continue to influence today’s technology. The event featured presentation, discussions, and an interactive session where participants explored the practicality and sustainability of old techniques in modern times. The event was well-received, providing valuable insights into the importance of learning from the past to build a brighter future. The program concluded with the college song and shanthi prayer.
