

MINUTES OF PREVIOUS MEETING

The first meeting of the EMBRASO planning forum for the year 2018-2019 was held on 11/07/2018. Our principal Dr. Smt. M. Malarvizhi presided over the meeting.

The chief guest Smt. Sowjanya Dharmasankar, Assistant Professor in Economics, Waubonsee community college, Northern Illinois University, USA gave a lecture on “World Population Trends, Causes and Projections for the future” Prof. Dharmasankar shared Population trends growth and challenges, using lecture paper presentation and technology she presented the material.

His lecture was very useful and thought provoking. The meeting came to an end with our college song and Shanthi prayer.
