## Report on Sarada Suta Overseas Alumnae Meet - 2025

Organized by

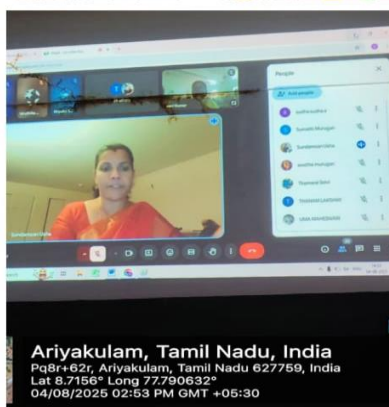

PG Department of Physics

Date: 04.08.2025

Day: Monday

Time: 02.30 PM

Sarada Suta Overseas Alumnae Online Meet was organized on 04.08.2025 via Google Meet to reconnect with its former students and strengthen alumnae relations despite physical distances. The event commenced with prayer. A special highlight of the programme was the presence of our chief guest Smt. Usha Sundaresan, a distinguished alumna (1993-1996) currently serving as Software QA Manager in UMass Chan Medical School, Massachusetts, USA. She shared her journey from a student at Sri Sarada College for Women to the present. She spoke about her own experiences working across continents, the challenges she overcame and how the foundation laid during her time at the institution shaped her resilience and adaptability. She encouraged the students to dream big and maintain strong ties with the institution. She emphasized the importance of staying connected to one's roots while embracing global opportunities. She motivated fellow alumnae to become the ambassadors of the college's values wherever they go and to support each other through mentorship and collaboration. Alumnae from various batches shared their career experiences and offered valuable guidance. Current students have also participated. The interactive session was filled with nostalgia. The session had participation with 30 students by offline and 36 alumnae virtually. Overall, the Alumnae Online Meeting was a great success, strengthening the bond between the college and its alumnae community.
