ONLINE WORKSHOP ON UI DEVELOPMENT WITH AI TOOLS

Organized by

TECH NETRAM FORUM - DEPARTMENT OF INFORMATION TECHNOLOGY

Date: 12.02.2026

Day: Thursday

Time: 11.00am

Venue: Gallery Hall

The Department of Information Technology organized an online workshop on "UI Development with AI Tools." The session featured Ms. Vishali, Software Trainer at Accord Info Matrix, as the resource person. She explained the fundamentals of User Interface (UI) development and highlighted the growing importance of Artificial Intelligence tools in modern web design. She provided a detailed hands-on demonstration on creating a webpage using AI tools, guiding students in generating webpage layouts, HTML structure, and CSS styling efficiently with AI support. She also discussed current industry trends, career opportunities, and emphasized the importance of creativity, problem-solving skills, and continuous learning in the software field. The interactive session enabled students to gain practical exposure and enhanced their understanding of AI-assisted UI development. Faculty members and students actively participated through an online platform, making the workshop highly informative and engaging. The programme began with the chanting of Ohm Sahanavavathu and concluded with a Shanthi prayer.
