Sri Sarada College for Women (SSC, TVL) provides a congenial atmosphere to ensure an all around development in all facts of life for the individual to dream, to visualize, to create, to explore, to discover and to reach out to the stars. The college was assessed for the second time by the National Assessment and Accreditation council, Bangalore in this academic year and awarded with 'A' grade with CGPA 3.01. This college with excellent infrastructure has been established to produce "Nirai Nangayar" of the future. The glorious image of the institution and the ideals reflect in the academic newsletter 2017 –18.

VISION

Our college's first priorities are students and their harmonious development of Hand, Heart and Head, thus resulting in the evolution of Nirai Nangaiyars (The Perfect Women) of multi-dimensionally educated, perfect young generation of women, each of whom will be a kamadhenu, the milk cow of plenty and platitude. We inculcate our vision by a sense of unity and respect for all coupled with firm adherence to one's own religion.

MISSION

Sri Sarada College embraces these basic institutional values that guide the fulfillment of our mission to support every student to achieve success is our highest priority. To attain the highest standards of excellence in all we do. To engage our students as active learners by providing a broad range of educational experiences both inside and outside the classroom. To promote product exchanges with all members of the college community and collegial relationships among our various stakeholders. To uphold the highest standard of ethics. To encourage civic engagement and supporting economic development in the region. To create a diverse environment that supports an equitable education for all our students.

SECRETARY'S DESK

Acquiring information is no longer the main focus of education; instead the main aim of education is to build the powers of human mind and spirit. Our mission is to transform students into rational thinkers, competent workers, law abiding citizens the college has clear and proper vision and is constantly equipping the college to attain to vision and mission of the college. The rich values and tradition imbibed here would carry them to greater heights.

YATISWARI SARAVANABHAVAPRIYA AMBA

PRINCIPAL'S DESK

In this era of competition, it is of paramount importance to be equipped with appropriate knowledge, habits, attitudes and values leading to holistic development. Education here is focused on the overall growth of a student transforming him into confident, capable and decisive individual who can translate his dreams into reality. We endeavor to offer an educational programme that is innovative reflecting best practice and catering for a broad academic range. We are giving special attention in developing the inter and intrapersonal skills of students through soft skills, personality career and entrepreneurial development programme.

DR. SMT. M. MALARVIZHI

FROM THE EDITORS

The college has always nurtured, since time immemorial, a spirit of marching forward and keeping abreast with our ever changing society. We are more conscious in imparting holistic educational excellence to students, with a strong moral base. The tenets of optimism, service, compassion, tolerance, hope and faithfulness have been built upon with our highly qualified, dynamic and multi-talented faculty
