FROM SECRETARY'S DESK

Acquiring information is no longer the main focus of education; instead the main aim of education is to build the powers of human mind and spirit. Our mission is to transform students into rational thinkers, competent workers, law abiding citizens etc. The college has clear and defined vision and is constantly equipping the students to attain the same by right mission. The rich values and tradition imbibed here would carry them to greater heights. I appreciate the IQAC for having brought out this newsletter.
