Report on World No Tobacco Day (WNTD)

Every Year, on 31st May, the World Health Organization (WHO) and global partners observe World No Tobacco Day (WNTD). This Year the Theme of World No Tobacco Day 2021 is “Commit to Quit”. In this regard, we observed the pledge-taking ceremony in All Eleven Departments of our College through virtual meet and the HOD/Class Counsellors of Concerned departments gave an awareness speech on the harmful and deadly effects of tobacco use and second-hand smoke exposure. Thus we can discourage the use of tobacco in any form. It's our right to claim health and healthy living and to protect future generations.
